

Position: Recreation Programmer

Status: Casual

Hourly Wage: \$28.75 - \$30.49

Program: AL/ADP

Hawthorne Seniors Care Community is a not-for-profit seniors living community committed to providing compassionate, person-centered care in a safe, welcoming, and home-like environment. We support seniors to live with dignity, independence, and purpose.

Hawthorne Seniors Care Community is accepting applications for a **Recreation Programmer** to join our Assisted Living and/or Adult Day Program. The ideal candidate is flexible and able to work a variety of shifts, including days, evenings, nights, and weekends.

About the Role

Reporting to the Director, Assisted Living & Adult Day Program, the Recreation Programmer plans, coordinates, and delivers engaging recreational, therapeutic, and social programs that support the physical, emotional, and cognitive well-being of tenants and clients.

Key Responsibilities

- Plan and lead a variety of recreational, social, and educational programs
- Promote participation and engagement among tenants/clients
- Coordinate events, outings, and community activities
- Maintain program schedules, attendance records, and documentation
- Collaborate with team members, volunteers, and community partners
- Observe and report changes in tenant/client well-being
- Assist with Adult Day Program coordination and special events
- Drive tenants/clients to outings using the community bus
- Support a safe, inclusive, and respectful environment

Qualifications

- Therapeutic Recreation Assistant / Activity Assistant Diploma
- Valid Class 4 Driver's License (unrestricted)
- First Aid Level 1, Food Safe Level 1, Serving It Right
- Minimum 2 years related experience
- Strong communication, organization, and interpersonal skills
- Ability to work independently and as part of a team

Interested applicants should email a resume and relevant supporting documents to hr@hawthornecare.com.

We thank all applicants, but only those applicants shortlisted will be contacted.
